6. **Private Island Paradise: Ninamu Resort in French Polynesia** **Priceless**

Leave the traffic, busy schedules and burnout behind and escape to paradise. The winner of this item will enjoy a one-week getaway for four to a private island in Tahiti with a pro surfer as your guide. The Ninamu Resort (Ninamu means blue in Tahitian) is located on Tikehau, which is part of the chain of atolls located northeast from the main island of Tahiti. The resort is a haven for water-lovers and caters to surfers and non-surfers alike. The beautiful oval island boasts pink and white sand beaches, breathtaking ocean scenery, abundant bird and fish life and languorous days of peace and relaxation. This is a unique experience, in one of the last frontiers where you will feel you are living in the past, but with modern luxury built in. All the finer details to ensure your comfort and relaxation have been provided. The whole family will enjoy world-class water activities in a very safe environment. To round out your experience and to create the ultimate fantasy vacation, you may choose to have a pro surfer from the Billabong team join your group. Surf with the pro, get pointers, hang out; whatever you choose to do, this experience will be one you will never forget. (Based on surfers' availability and their travel schedule).

For surfers, the resort offers some of the best surfing anywhere. Hop on a boat and reach the nearby pass of Tuheiava, which consists of a right and left break on opposite sides of the reef pass. Although the biggest swells normally happen from November through March, you can still get waves during the remaining months. Barreling waves over a coral reef bottom make the surf suited more toward intermediate to advanced-level surfers.

The reef pass is located just 15 minutes away by boat and the resort offers inclusive service of a 20-foot skiff with a 225 HP outboard. The skiff holds up to 10 passengers and drops you right in the middle of the action.

- Other water activities available:
- Kite and wind surfing
- Stand up paddleboards
- Snorkeling
- Kayaking
- Exploration of the local bird sanctuary & Tikehau main island
- Fishing (bone fishing, & deep sea with additional cost)
- Diving (with additional cost)

Diving is another attraction of the island. The beauty and abundance of ocean life in the area account for its popularity, especially in the Tuheiava Pass, where it's not uncommon to see manta rays, barracuda, and tuna, as well as grey and white-tipped sharks. This pass is located only about 15 minutes from the resort by boat and contains most of the best dive sites in the area. Water temperatures are a comfortable 26–29 degrees Celsius. A nearby professional dive shop is available to guide and outfit your group.

The winner of this trip will enjoy lodging, all meals and all water sports for four (excluding diving and deep sea fishing) on the private island. You will be required to bring your own surfboards and kite boards.

Dates subject to availability. Alcohol and soft drinks are an additional charge. Does not include airfare. Air Tahiti flies from LAX to Papeete to Tikehau with longboards allowed (no excess charge on surfboards). Ninamu will provide transfer to the island by skiff from Tikehau. Interested in hosting a family gathering or other group vacation at Ninamu? Additional guests up to a maximum of 18 total can be accommodated for an additional charge. Call for details or email baharas@mac.com.

54. 1995-2000 Vertical of Araujo Cabernet Sauvignon * Priceless

Araujo Estate wines are considered some of the elite wines in California. They are consistently among the best and highest rated wines. This collection could not be found in stores, and would require significant effort to assemble at auction.

Own a mini-vertical collection of 6 vintages. Wines were bought directly from the estate and stored in temperature controlled cellar and in original tissue. The bottles include original tasting notes from the vineyard.

The mission statement for Araujo, reads in part, "To produce organically grown fruit and with this fruit make a singular wine of the highest caliber and distinction." By all accounts, Bart and Daphne Araujo are succeeding magnificently. The flagship wine, the Cabernet Sauvignon from their own Eisele Vineyards, is hailed by critics and desired by consumers in every vintage. Though first planted to Zinfandel and Riesling in the 1880s, the Eisele Vineyard has been the home of world class Cabernet since 1964. The low-yielding vines lie on property just east of Calistoga, where the vines are protected by the Palisades Mountains and cooled by the breeze from the Chalk Hill Gap. The harvested fruit is rich and concentrated, lending intense character to the finished wine. Under the direction of winemaker Françoise Peschon, Araujo produces four wines each year: the Cabernet Sauvignon Eisele Vineyard; Altagracia, a second estate Cabernet; Syrah Eisele Vineyard; and Sauvignon Blanc Eisele Vineyard.

- 534. Senufo Rhythm Pounders *** **\$500**
Rhythm Pounders, called "deble," are from the Senufo people of the Ivory Coast. They stand on a circular base, which was part of a long pole used to pound the earth, providing the rhythm for a dance. This was also used to invoke the spirits of the ancestors, especially at the agricultural ceremonies. The arms act as handles, and the rhythm pounders are used to beat down on the ground at a time when the seed are being sown, so as to call upon the earth spirits to help invoke a fertile crop growth. It is also used during funeral ceremonies to call upon the earth spirits to protect the newly buried deceased member of the society. The few known male and female rhythm pounder pairs are thought to represent the primordial couple, referred to as 'Pombibele', which means "those who gave birth."

601. Oprah Winfrey Show in Chicago with 3-Night Stay Priceless and Airfare for (2)

The Oprah Winfrey Show – Enjoy (2) tickets to a live taping of The Oprah Winfrey Show at Harpo Studios on Chicago's Westside. Oprah recently announced her show will be ending in 2011 after 25 years on the air.

Winfrey said, "So, the countdown to the end of The Oprah Winfrey Show starts now, and until that day in 2011 when it ends, I intend to soak up every meaningful, joy-filled moment with you."

The show has been the highest-rated talk show for 23 consecutive seasons, according to the Oprah.com site. It is seen by an estimated 42 million viewers a week in the United States and is broadcast to 145 countries. The show had its origins in 1984, when Winfrey moved to Chicago to host WLS-TV's morning talk show, "AM Chicago", which became the #1 local talk show. The show surpassed ratings for "Donahue" one month after it began. Within a year, it expanded to an hour-long format and was renamed "The Oprah Winfrey Show" and entered national syndication in 1986.

Over the years, the show has made news on several occasions. In September 2004, Winfrey began a new season by giving each member of the audience a new car. In May 2005, Tom Cruise caused a sensation when he jumped up and down on Oprah's couch, declaring his love for actress Katie Holmes. Other guests have shared their personal struggles, such as Elizabeth Edwards, wife of former vice presidential candidate John Edwards; performer Whitney Houston and Lisa Niemi, widow of actor Patrick Swayze.

Audience members must be age 18 or over. The taping schedule varies from week to week and the show's seasons usually run from late August to November and from January to May. The final taping of the show is scheduled for September 9, 2011. Valid one year from date of purchase, subject to availability.

2005 Beringer Private Reserve Cabernet Sauvignon. Wine Spectator 93 Points. In 2005, Winemaker Ed Sbragia, had eight reserve-potential vineyards to draw from, choosing the best lots after vinification and aging for a final blend that combines the various vineyard expressions into a well-balanced, full-flavored whole. In any vintage, Ed's goal with the Private Reserve is to make a wine that is greater than the sum of its parts. The final blend showcases aromas of black berries, toasty oak, mint, white pepper and cocoa. Black fruit, cassis, caramel, vanilla, brown spices and hints of rose petals coat the palate as ripe supple tannins extend throughout the long finish.

AUCTION RULES

AUCTION RULES

You will need bid stickers to participate in the auctions. Bid stickers are available at the check-in table.

Information about each item in the Silent Auction appears on the bid sheet/information sheet displayed with the item. All items list the terms and intent of the donor—no negotiations will be permitted. Please review all restrictions and expiration dates.

In consideration of our generous donors, all auction items/services will expire February 27, 2011, unless otherwise noted. Restaurant and hotel gift certificates generally do not include tax, gratuity, or alcohol. All gifts are non-refundable and have no redeemable cash value.

LIVE AUCTION RULES

A runner will bring you a receipt indicating the Live Auction item you have purchased and the amount of the winning bid. If payment information has not already been secured, the runner will require the winning bidder's form of payment prior to delivery of the receipt.

Every effort will be made to identify and recognize all bids, but it is your responsibility as a bidder to make your bid known. All sales are final.

There is a minimum increase required of at least \$100 or higher than the existing bid for all live bidding. The auctioneer, at his/her sole discretion, can alter raises for any item. Do not make ANY bids that you are not willing to purchase the item for that price. We reserve the right to accept your bid at ANY time, even if other bids have gone higher than your last bid. If we accept a lower bid, then all items will be sold at that price.

SILENT AUCTION RULES

The Silent Auction will begin at 6:00 p.m. An announcement of the closure of Silent Auction items will be clearly provided.

A bid sheet is displayed for each item. Bid sheets must stay with their corresponding item in their designated location until the auction closes.

You may bid on the item(s) by placing your bid sticker next to the desired pre-printed bid amount. Please note—opening bids and minimum increments are indicated on each bid sheet. Bid stickers may not be removed from or covered by other bid stickers on the bid sheet.

Bids will be accepted on each item until the closing time. Bidding on an item must stop when the auction official closes the bidding. An auction attendant will highlight the winning bid and remove the bid sheets at this time.

There are certain Silent Auction items of which we have secured multiples of the same exact item. These bid sheets will state the number of exact items available with a space for your bid sticker by each corresponding number. Each bidder can purchase one or as many items as they wish based on availability. There is no bidding for these items. A set established price will be charged. Bids below the set price will not be considered.

SUPER SILENT AUCTION RULES

The Super Silent Auction will open at 6:00 p.m. Bidding must stop when the auction official closes the bidding. Bids below the reserve will not be considered.

To place a bid, bidder must use the Super Silent bid form, write in a bid amount plus his/her name, bid number, if and as requested, then place bid in the correct box for the item being bid on. Bidder may submit more than one Super Silent Auction Bid per item, but only the highest bid will be considered. In the event of multiple Super Silent items, Bidder is responsible for placing bid in the correct box.

When Super Silent Auction closes, an auction attendant will remove the bid box to determine the winner. The item will be awarded to the person with the highest bid above the reserve. In the event of a tie, the winner will be decided by a random drawing of tied bidders. To avoid ties in the Super Silent auction, bid an odd amount, such as \$101.59 instead of \$100.00. Super Silent Auction items that offer multiples of the exact item have an established price and there is no bidding for these items.

PAYMENT FOR SILENT AUCTION WINNERS

If you are a winning bidder, payment and delivery of your receipt will be available at your reserved table. Upon payment, gift certificates and other small auction merchandise will be brought to your table. However, if you need to leave the event prior to the time the cashier's runner comes to your table, please ask a volunteer for the location of the cashier. All merchandise should be picked up before you leave the event. Please keep a copy of your receipt for tax purposes. Please read both sides of your receipt as this document contains specific language as to your rights and the policies of St. Margaret's Episcopal School.

PROXY BIDS

If you are not able to attend, but wish to bid on an item (live or silent) you may do so in one of two ways: 1) Give your proxy bid to a friend who is attending and your friend will bid on your behalf using her/his bid number. Your friend will be responsible for payment in the event you change your mind, so please be sure you have been clear on your high bid amount. 2) You may provide the Advancement Office (via e-mail or fax) the item

number and the highest dollar amount you are willing to bid and they will bid on your behalf. If you wish to have the Advancement Office bid for you, please contact Cortney Carlisle at cortney.carlisle@smes.org, 949.661.0108 ext. 254 or 949.661.2040 (fax). DISCLAIMER OF WARRANTIES

The auctioned items are sold “as is.” St. Margaret’s Episcopal School makes no warranties of any kind, expressed or implied, concerning the use and safety of goods and services sold, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose. The buyer bears the entire risk of the quality, performance, and safety of the donated items. SMES has not tested or inspected the goods and services for their quality and safety. Some of the activities offered at the auction may be considered “high risk.” The purchaser shall consider this and assume all risks upon purchasing and engaging in such activities. SMES shall not be responsible for any injuries or damages that result from the buyer’s use of the auctioned items or services or from participation in services or activities purchased.

DISCLOSURE RELATED TO QUID PRO QUO CONTRIBUTIONS

St Margaret’s Episcopal School is a non-profit corporation that has been granted tax-exempt status by the Internal Revenue Service. As such, contributions to SMES are deductible for federal and California income tax purposes subject to the same limit as contributions to other non-profit charities.

Participation in the SMES and Parent Teacher Fellowship (PTF) Spring Fundraiser Auction in person or by proxy constitutes a waiver of any and all claims against SMES, its employees, agents, and representatives for any damage, loss, or injury resulting from or connected with the use or receipt of any item or service received in the auction.

The Internal Revenue Service requires written acknowledgement of cash and non-cash gifts valued at \$250 or more in order for a donor to take a charitable deduction for federal income tax purposes. A cancelled check or credit card receipt does not suffice as written substantiation or written acknowledgement. Please keep a copy of your auction receipt for your tax records.

The price paid for the purchase of an item at the auction constitutes a charitable contribution if the purchase price is greater than the fair market value of the item, property, or service provided. The fair market value(s) of the auction item(s) purchased will appear on the auction invoice. Only the amount of the purchase in excess of the fair market value is considered a charitable deduction.

For one-of-a-kind auction items that do not have a specific fair market value, the IRS may consider the actual purchase price to be the fair market value. In this situation, the auction bidding will set the item’s fair market value, and no part of the purchase price for one-of-a-

kind items at the auction would be considered a deductible charitable contribution by the IRS. When the auction item has no real-life monetary value (e.g. parking space, Middle School locker), the charitable deduction will be the purchase price, since the purchaser's intent is clearly charitable.

This information is intended to provide general rather than specific information. It should not be interpreted as legal, tax, or financial advice. Please consult your financial advisors for specific advice on tax issues.
